Email: saipavanganta9@gmail.com
 Mobile: +916309503478

SKILLS

Languages: C, C++, Python, Java
 Frontend: HTML, CSS, Tailwind CSS, JavaScript, React.js
 Backend: Node.js, PHP
 Tools/Platforms: Git, GitHub, XAMPP, VS Code
 Soft Skills: Problem-Solving, Team Collaboration, Adaptability

PROJECTS

- Swadeshi Fit – Indigenous Fitness & Sports Website** | *React.js, HTML, CSS, Node.js, MongoDB* | [GitHub](#)
Nov' 25
 - Designed a responsive and interactive fitness platform promoting Swadeshi sports and activities using React.js, HTML, and CSS.
 - Executed dynamic user interactions and reusable components through React.js along with RESTful API integration using Node.js and Express.js, improving functionality and user engagement.
 - Optimized application performance and UI/UX design with efficient state management and MongoDB integration, ensuring scalability, data security, and seamless user experience.
- Walk Worthy** | *HTML, CSS, JavaScript, Tailwind CSS, PHP, MySQL* | [GitHub](#)
Apr' 25
 - Developed an Online Shoe Customization and Ordering Platform using HTML, CSS, JavaScript and Tailwind CSS to create a fully responsive and interactive UI.
 - Integrated PHP and MySQL via XAMPP for user authentication, product listings, cart management, and order tracking, ensuring secure and efficient database operations.
 - Implemented real-time shoe customization previews and a modular system design, enhancing user experience and maintaining clean, reusable code architecture.

TRAINING

- Lovely Professional University**
Jun' 25 – Jul' 25

Data Structures and Algorithms using CPP

 - Integrated core data structures such as arrays, linked lists, stacks, queues, trees, and graphs to strengthen algorithmic problem-solving skills.
 - Built and optimized sorting, searching, and recursion-based algorithms, improving time and space efficiency across various coding challenges.
 - Applied object-oriented programming concepts in C++ for modular code design and practiced competitive programming techniques to enhance logical thinking and performance.

CERTIFICATES

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate | [Oracle](#)
Dec' 25
 - Privacy and Security in Online Social Media | [NPTEL](#)
Oct' 25
 - IELTS Pro: Reading | Writing | Listening | Speaking | [Udemy](#)
Dec' 24
 - Introduction to Hardware and Operating Systems | [Coursera](#)
Sep' 24

ACHIEVEMENTS

- [Qualified for the final round of the Binary Blitz Hackathon, organized by Coding Ninjas \(LPU\)](#)
Oct' 24

Selected among **200+** participating teams.
 - Completed [Graph Theory Programming Camp](#) organized by AlgoUniversity, Selected among **4,000**
Feb' 26

shortlisted candidates from **40,000+** applicants, with only **1,000** participants receiving certification.

EDUCATION

Lovely Professional University
Phagwara, Punjab
 Bachelor of Technology
 Aug' 23 – Present
 Computer Science and Engineering; **CGPA: 7.21**

Tirumala Educational Institutes
Rajahmundry, Andhra Pradesh
 Intermediate
 Mar' 21 – May' 23
 PCM; **Percentage: 97.6%**

Z.P.P High School
Battelanka, Andhra Pradesh
 Matriculation
 Mar' 20 – May' 21
Percentage: 97.0%
